**TERRAIN PARK EDUCATION**

The National Ski Area Association along with Burton Snowboards has put together a cooperative effort to educate guests on the hazards associated with Terrain Park use. Mountain High Resort has added this program to its brochures, and pass agreements to educate its guests and employees and make them aware of those hazards associated with the use of terrain features and parks that are a part of this resort.

The Orange Oval symbol designates Freestyle Terrain such as parks and pipes. Park Smart is all about Freestyle Terrain safety - Know it, Respect it, Use it!

**Make a plan.**

Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

**Look before you leap.**

Scope around the jumps first, not over them. Know landings are clear, and clear yourself out of the landing area.

**Easy style it.**

Start small and work your way up. (Inverted aerials not recommended).

**Respect gets respect.**

From the lifeline through the park.
